

# Data processing agreement

1. Within the scope of this Agreement, there were described the rules (hereinafter referred to as the Rules), which are the official document of the Anti-Age Expert project [www.antiage-expert.com](http://www.antiage-expert.com) (hereinafter referred to as the Website Administration) and which define the procedure for processing and protection of information about individuals using the services of the Internet site [www.antiage-expert.com](http://www.antiage-expert.com) (hereinafter referred to as the Website).

2. In accordance with paragraph 1 of Article 6 of Chapter 1 of the Federal Law of the Russian Federation dated July 27, 2006 № 152-FZ "Personal Data" within the scope of this Agreement, the following concept is understood as personal data: " personal data – any information pertaining to a particular or identifiable, on the basis of such information, natural individual (the personal data subject), including his surname, first name, patronymic, year, month, date and place of birth, address, marital, social, property status, education, profession, income, other information".

3. The aim of the present Rules is to ensure proper protection of the information of natural individuals, personal data subjects (hereinafter - the User), including their personal data, from unauthorized access and disclosure.

4. The relations connected with collection, storage, distribution and protection of information about the Website Users are regulated by these Rules, other official documents of the Website Administration and accordance with the Russian Federation legislation.

5. These Rules represent a public document available on the Website to any Internet User. The Administration of the Website is entitled to make changes to these Rules. When making changes to the Rules, the Website Administration notifies users about it by publishing a new version of the Rules on the Website.

6. By registering and using the Website, the User expresses his/her consent to the terms of these Rules.

7. When registering on the Website, the User shall provide the Administration of the Website with necessary reliable and up-to-date information, including unique login and password for each User to access the Website, as well as personal data of the User required for registration in accordance with the form completed during registration on the Website.

It is not allowed to the user when using the Website:

- to create multiple accounts;
- share your account and/or username and password for your account with third parties;
- register your account on behalf of another person;
- misrepresent yourself, your age, or your relationships with other persons or organizations;
- use the software and perform actions aimed at disruption of normal operation of the Website, its services or personal pages of Users.

9. The User is personally responsible for any information he/she posts on the Website, for the information provided to other Users, as well as for any interactions with other Users.

10. If the User disagrees with these Rules or their updates, the User shall refuse to use them by notifying the Website Administration in accordance with the established procedure.

11. By accepting this Agreement through registration on the Website, the User confirms his/her consent to the processing of his/her personal data, provided at registration, by the Administration. Processing of the User's personal data is carried out in accordance with the laws of the Russian Federation. According to paragraph 3 of Article 6 of Chapter 1 of the Federal Law of the Russian Federation dated July 27, 2006 № 152-FZ "Personal Data": "Personal data processing - actions (operations) with personal data including personal data gathering, systematizing, accumulation, storage, refinement (updating, changing), use, distribution (including transmission), depersonalization, blocking, destruction.

12. By accepting this Agreement, the User confirms their consent to receive notifications by email.

13. Rights and duties of the Website Administration:

- The Website Administration shall take all necessary measures to protect the User's personal data from unauthorized access, modification, disclosure or destruction;
- The Website Administration grants access to the User's personal data only to those third parties who need this information to ensure the functioning of the Website, and also permits to use the personal data provided by the User to ensure compliance with the requirements of the current legislation of the Russian Federation (including for the purpose of prevention and/or suppression of illegal and/or unlawful actions of Users);

14. The Administration guarantees that the storage of personal data will be carried out in a form that allows to identify the User, not longer than required by the purposes of processing personal data, and they will be destroyed once the processing purposes are achieved.
